

MAC.TGVP.267

APLICAÇÃO / APPLICATION

Utilização em áreas não classificadas como industrial, naval ou química.

Use in areas not classified as industrial, marine or chemical.

DESCRIÇÃO TÉCNICA / TECHNICAL DESCRIPTION

Caixa de passagem (Condulete) à prova de tempo para eletroduto
Descrição: Caixa de passagem à prova de tempo e jatos d'água;

Grau de proteção: IP65;

Corpo: Aço inox AISI 314 ou 316L;

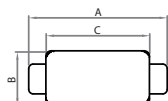

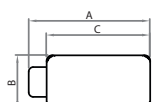

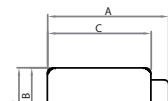

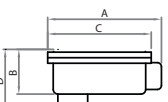

Temperatura de operação: até 400°;

Weather-proof junction box for conduits
Description: Weather-proof junction box;

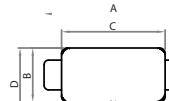

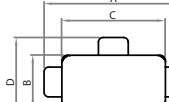

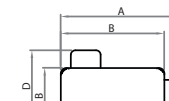

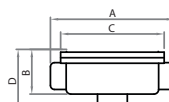

Degree protection: IP65;

Body: Stainless steel AISI 314 or 316L;

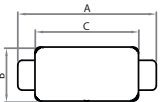

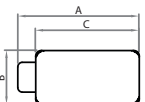

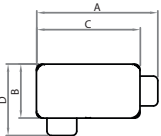

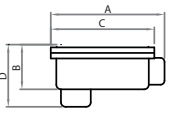

Operating temperature: up to 400°;
